

Sandy Lashua - Membership VP

I retired from Plattsburgh CSD in 2001 and joined NEZ that first year. In 2002 I was asked to join the Membership Team.

Responsibilities:

1. Contact schools in our zone each June for names and addresses of their retirees. I then mail them our application package.
2. Encourage our members to supply names of their retired friends for me to contact
3. Report new members and deaths to Albany office
4. Contact members on the delinquent list
5. Give a short Membership report at our meetings
